Nanobody® Production Request Form

Email completed form to Dr. Louis Hersh

lhersh@uky.edu

Name						
Affiliation						
Address		City		State		IDEA State: Yes No
Phone						
Email						

Billing Contact <i>(If different from above)</i>					
Address		City		State	
Phone					
Email					

Additional Services <i>Please mark all services requested in addition to Nanobody® production (if any)</i>			
Additional Clones		Expression Clone	
Additional Purified Nanobody®		Epitope Tagged Nanobody®	
PL - Phagemid Library		Repeated panning	

Name of Protein	
Protein Concentration (should be ~1 mg/ml or greater)	
Buffer used (no detergents should be added)	
Approximate Isoelectric Point	

Note: If unknown, the isoelectric point can be determined at <http://isoelectric.org/>

Proposed use of Nanobody® (1-3 sentences)

I certify that I am submitting a purified protein or complex of proteins that is nontoxic and not contaminated with live bacteria or viruses. The nanobody I am requesting is not commercially available and will be used for research purposes only.

Please submit a picture of your SDS-PAGE gel with your protein submission.

We will contact you to verify acceptance of your request and invoice you for the \$250 setup fee.
